

# G-BALER HORIZONTAL SINGLE RAM AT BALERS

## **QUALITY + RELIABILITY = PRODUCTION!!**

The first step in searching for a baler is finding one with the very best quality. No need to look any further than the G-Baler AT series of balers. Manufactured by people with quality in mind, using the best steel, hydraulic, and electrical components available in the industry. With over 4,000 installations worldwide, G-BALER is truly the industry leader now and in the future.

We have a nation wide distributor network with the capabilities of installation, parts, and service. Your next call should be to Unlimited Recycling Resources (URR) for your baler needs. URR brings over 50 years experience in the industry and puts customer service at the top of the list during and after the sale is made.
